FE FORTUNE ENGINEERING WORKS

# Heavy structures and PEB: RFQ checklist

Send us as much of this as you have. A partial list is enough to start a price.

## 1 PROJECT

- ☐ Project name and project owner
- ☐ Site location (city and state)
- ☐ Date you need the steel at site
- ☐ Your company name and the person we should contact

## 2 STRUCTURE

- ☐ Type: heavy structure, PEB, plant structure, custom fabrication or other
- ☐ Number of items and total tonnage, or the BOQ
- ☐ Heaviest and longest single member

## 3 DRAWINGS AND SPECIFICATION

- ☐ Fabrication drawings (PDF or CAD)
- ☐ Material grade and applicable specification
- ☐ Welding, surface preparation and painting requirements, if called for

## 4 INSPECTION AND TESTING

- ☐ Inspection stages you expect
- ☐ Third-party or client inspection, if any
- ☐ NDT requirements and test certificates required

## 5 TRANSPORT AND ERECTION

- ☐ Delivery terms: ex-works or delivered to site
- ☐ Do you need erection at site, or only supply
- ☐ Site access for trailers and cranes; cranes provided by you or by us
- ☐ Required dispatch and erection dates

## 6 COMMERCIAL

- ☐ Payment terms
- ☐ Bid or quotation due date

**Send your drawing or BOQ**
